We will notify you at the time of requesting personally identifiable information if these third parties will obtain such information.

We may use a reputable third party to present or serve the advertisements that you may see at our web pages. These third-party ad servers may use cookies, web beacons, clear .gifs, or similar technologies to help present such advertisements, and to help measure and research the advertisements' effectiveness. The use of these technologies by these third-party ad servers is subject to their own privacy policies and is not covered by our Privacy Policy.
